

L'elettromagnetismo

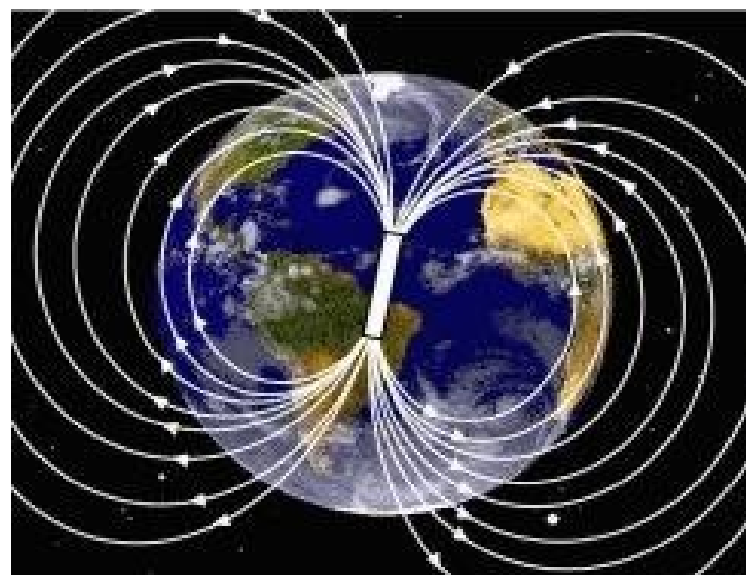

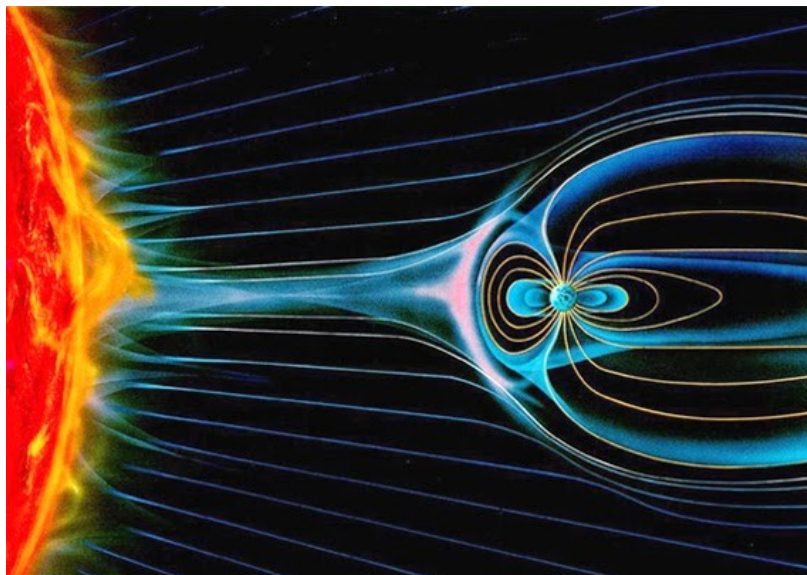

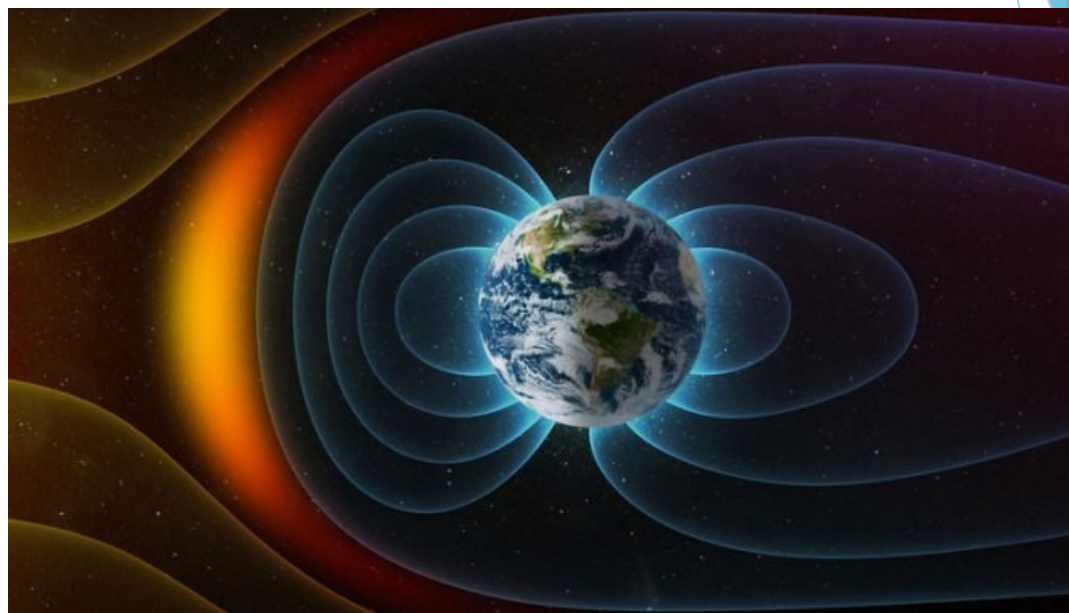

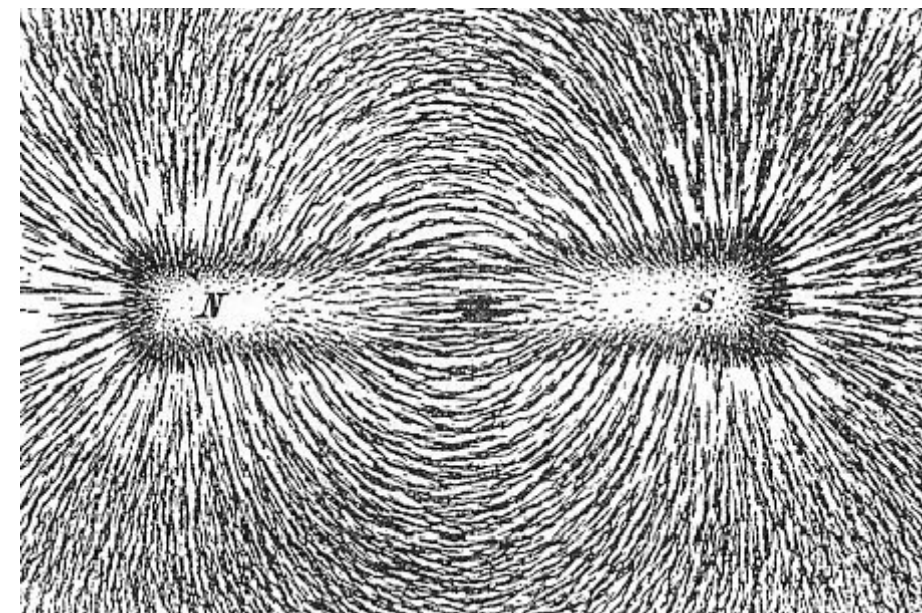

Il magnetismo

- ▶ In fisica il magnetismo è quel fenomeno per cui alcuni materiali sono in grado di attrarre il ferro nonché trasmettere tale capacità ad altri materiali.

Campo magnetico terrestre

La bussola

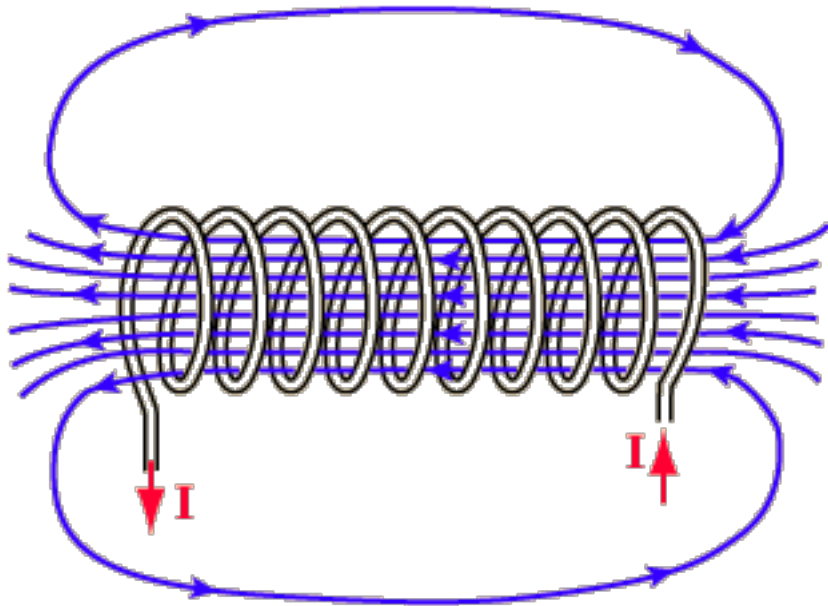

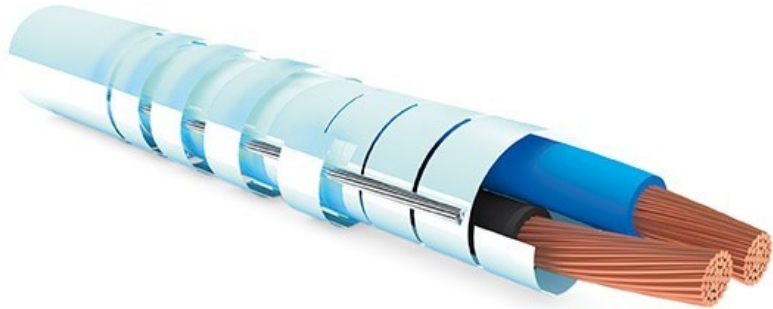

L' elettromagnetismo

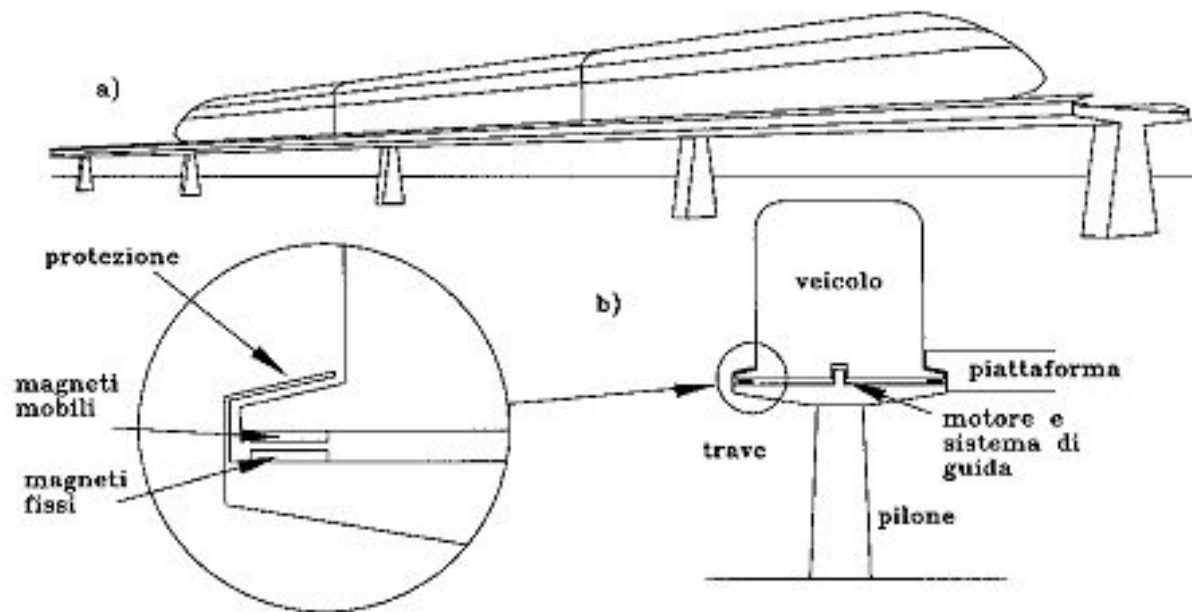

- ▶ È l'energia risultante dalla combinazione di elettricità e magnetismo

Solenoidi

Treni a levitazione magnetica

A photograph of the aurora borealis (Northern Lights) over a calm lake and dark mountains. The aurora is a vibrant green and blue light that stretches across the sky and is reflected in the water. The sky is dark with many stars visible. The mountains are dark and have some snow patches. The overall scene is serene and beautiful.

L'aurora polare

Fine

The background features abstract, overlapping geometric shapes in various shades of blue, ranging from light sky blue to deep navy blue. The shapes are primarily triangles and polygons, creating a dynamic, layered effect. The word "Fine" is centered in a clean, sans-serif font.
